The old gentleman will then examine him in some of the harder monosyllables, and afterwards of words of two, three, or four

The Enchanted Castle

four syllables, according to the pacity, and the improvement made; till, at last, perhaps, him to be a tolerable good scholar, desire him to read a lesson or two of the book, which he always carries in his pocket for that purpose, and have a very accurate copy, I my large cedar trunk. After the lesson is over, if Mr. *Alphabet* with his little guest; for other send him packing like a dun blockhead; but if he is satisfied, desire him to cast his eyes upon where he will find a number of golden letters upon as many white marble, with a pretty hanging to each of them thread. "There, my good boy, if you can read any of these, and tell me the meaning of them, I will have the picture which bears them for your pains."—Now then these:
